To Our South Florida Friends and Customers...

We are proud today to announce the members of our 2008 Chairman's Club. The Associates featured on these two pages set the pace each day for our EWM family. Even during a tough economy, these dedicated professionals persevered, and excelled, on behalf of the many Buyers and Sellers whom they served last year. Ten of these individuals achieved EWM's highest sales level for their first time... which in today's economic environment makes their accomplishment even that much more impressive!

2009 marks the 45th year of EWM's founding, when Anna Mae Esslinger, Dodie Wooten and Arline Maxwell launched their dream to bring together a hand-picked group of professionals to serve the real estate needs of our community. Over these past four and a half decades, our Associates have been privileged to serve literally thousands of families and individuals who call South Florida home.

During this time, we have also built strategic alliances with other premier real estate organizations across the globe. Our affiliation with Christie's Great Estates®, Luxury Portfolio®, Mayfair International Realty and Leading Real Estate Companies of the World® places us in the company of those from all across the world seeking to share what we enjoy in South Florida. The merging of EWM in 2003 with HomeServices of America™, an affiliate of Berkshire Hathaway, has also allowed us numerous benefits that we have been able to share over these past years with our Associates, Buyers and Sellers. We are truly blessed by our relationships.

As this new year unfolds, we are encouraged by the new level of activity that we are seeing in the marketplace -- a decreasing base of inventory and an increasing level of sales. We still have challenges ahead, but it has been gratifying over these past months to see a new confidence beginning to build within our home buyers as they recognize the values that are now being offered to them throughout all our market areas.

Congratulations again to our 2008 Chairman's Club Members... and thank you to our Customers who give us the opportunity to serve you year-in and year-out. We are all fortunate to be living and working in South Florida.

BestWishes for a Healthy and Prosperous New Year.....
